

**TO KEEP PACE WITH DEMAND,  
INDUSTRY ESTIMATES INDICATE  
THAT 13,200 NEW MED TECHS  
ARE NEEDED EACH YEAR**

**BUT ONLY 5000 ARE CURRENTLY  
ENTERING THE FIELD EVERY YEAR...**

**...SOLUTION: A SOFTWARE WITH  
ARTIFICIAL INTELLIGENCE,  
AUTOVERIFICATION, AND  
BATCH PROCESSING**

**KEEP OUTPUT HIGH WITH  
FEWER FULL-TIME EMPLOYEES**

**THANKS TO SCC'S SOFTLAB,  
THE MED TECH SHORTAGE  
JUST GOT A LITTLE EASIER  
TO HANDLE**

**STAY TUNED FOR MORE...**
